Driving Record Check

Consent Form

Ozark Foam Insealators, OFI, maintains a driver record checking and verification program for perspective and current employees and independent contractors (hereafter referred to collectively as "Employee"). OFI may determine, at its discretion, not to hire, to terminate, or to restrict company-related driving privileges to any Employee lacking an acceptable record.

The undersigned Employee hereby authorizes OFI to periodically receive his or her driving record, and such authorization will remain in effect for one year for the duration of employment or contract between OFI and employee/contractor, whichever period is longer.
